/DYSON

Repoussant les limites de la technologie, Dyson présente le nouveau *Dyson Digital Slim*, un aspirateur sans

/URBANN innovates

URBANN proposes new versions of its lecterns *K1, K2, K3 & K6* and amazes with original *Y7*, a dismountable lectern.

On top of renewed the lecterns' design, the Quebec manufacturer has made a few addition to the 2013 versions, first and foremost the new Urbann evolutive reading plate that makes the lectern adaptable to your various needs. The construction has also been made sturdier and an improved DEL lighting was incorporated.

/Trudeau jamais à court d'idées

Trudeau lançait au mois de mai la nouvelle collection d'ustensiles de cuisine *Stress Less* conçue spécialement pour réduire les tensions liées aux étapes de préparation culinaire les plus courantes. La collection comprend six éléments dont un ouvre-boîte, les moulins à poivre et à sel, sans oublier le tire-bouchon.

/Trudeau: always seeking new ideas

Last May, Trudeau launched *Stress Less*, its new collection of kitchen tools specifically thought out to reduce stress in the most common food preparation moves. The kit is comprised of six items including a can opener, pepper and salt mills and a corkscrew.

/URBANN innove

URBANN propose de nouvelles versions de ses lutrins *K1, K2, K3 & K6* et enchante avec l'original *Y7*, un lutrin démontable!

Outre un design repensé, la compagnie québécoise propose pour les versions 2013 l'incorporation du nouveau *Plateau évolutif Urbann*, qui permet de faire évoluer votre lutrin selon vos besoins, une construction plus rigide que celle des précédents modèles ainsi qu'un éclairage DEL amélioré.
