

TA1 high table

exquisite furniture combining clean lines and understated luxury

Modernity and verticality

The TA1 side table fits well in any contemporary decor. With an height of 915 mm (36"), the TA1 side table is a versatile unit that could be used to display a vase, support a lamp or to present a fine sculpture. Or, in conjunction with our K6 lectern, the TA1 side table can be used to support up to 4 glasses or a even laptop comfortably beside the lectern. Powder coated aluminum.
